## GET TESTED FOR COVID-19

Arrive at the site and get tested for COVID-19. If you are getting a rapid test, you may wait on-site for your results.

## Get Evaluated by a Nurse

If you test positive, you will be evaluated by a nurse for Paxlovid eligibility. If eligible you will be referred to a telehealth provider.

## Obtain a prescription and Get treated.

On-site, the telehealth provider will assess whether Paxlovid should be prescribed. If prescribed, you will be provided the medication on-site. At home, take the medication as prescribed.

## Rest, Heal, and Follow Up

Take your medication as prescribed. Rest and heal. Your telehealth provider will follow up with you post treatment.
