

No Party Preference Information

(Commonly referred to as “Independent”)

As a voter registered with No Party Preference, if you want to vote for U.S. President, you must request a primary election ballot with presidential candidates.

The American Independent, Democratic, and Libertarian Parties will allow No Party Preference voters to participate in the March 5, 2024 Presidential Primary Election.

A postcard has been sent to our No Party Preference voters that will allow them to request an American Independent, Democratic, or Libertarian Party ballot. Once a selection is made, please return it in the mail – *if you are a Vote by Mail voter*. You can also request one of these selections by calling our office at 530-822-7122.

If you do not request a partisan ballot by returning the postcard, submitting the request on our website, or calling our office by the deadline, and you are a Vote by Mail voter, you will be mailed a ballot without any presidential candidates. If this happens, you can request a replacement ballot by:

- Submitting a request on our website
- Calling our office at 530-822-7122
- Emailing us at elections@co.sutter.ca.us
- Voting in person at a Polling Place on Election Day

If you vote in person at a Polling Place on Election Day

Ask the Polling Place staff for a ballot with either American Independent, Democratic, or Libertarian Party presidential candidates when checking-in at the Polling Place.

Voting in the Green, Peace and Freedom, or Republican Party Primary

If you want to vote for the Green, Peace and Freedom, or Republican Parties' presidential candidates, you must re-register with that specific party.

You can re-register to vote online at www.suttercounty.org/elections. If you need to re-register after February 19, 2024, you may re-register to vote in our office or at a Polling Place on Election Day.
